

Thank You Letter

Dear Project GO Leaders,

On behalf of Project Get Outdoors, I want to thank you for taking time to participate in the recent Project GO Leader Certification training! We hope that you gained some helpful knowledge, skills and resources to better provide outdoor nature experiences for children.

You are now registered in the Project GO database as a Certified Leader and you have access to a number of resources and supplies that can help you get kids excited about going outdoors. Some of these resources include:

- Project GO newsletter with tips and tricks from others in the field
- Access to Project GO equipment trunks for outdoor exploration
- Volunteer matching services to connect with outdoor volunteers who want to share their skills
- Opportunities to re-certify every 5 years to learn about the latest trends and resources

We look forward to hearing your stories! Please be sure to ***share updates on the Project GO Facebook Page***. We will also send out a short survey each year to see what the Project GO Leaders are up to. Please consider submitting photos and stories with the annual survey so we might showcase the work you are doing.

Let us know if there is anything else we can do for you! Best of luck!

Sincerely,
